## School Data Sheet for Web Contest/Critique

Please print the following information to give the judge a more complete picture of your publication. He or she will be viewing the site sometime during February.

**Name of School** \_\_\_\_\_

**Website URL** \_\_\_\_\_

**Our school population in grades 10-12 is:** \_\_\_\_\_  
(Contest entries will be divided into categories based on student population)

1. Number of students on your staff?
2. How is your website financed? Is advertising used? Is it solicited by student staff?
3. Is your news website a class project or an extra-curricular activity? Where is your site hosted?
4. Please describe how your website was built? (students built it in html from scratch, Word Press or similar theme, created by an outside paid developer?) If students didn't build it themselves, please describe how they customized what they have.
5. If you have any special production problems, please list them here or on the back with any other comments for judge's consideration.
6. **Is your news website subjected to prior review (by someone other than the student staff or adviser) or does it have restrictions on use of names/faces?** If not, please attach the Principal's Statement. If so, please explain the situation.

SUBMITTED FOR CRITIQUE ONLY. PLEASE DO NOT JUDGE AGAINST OTHER WEBSITES.
